Dear Dr. Stevens:

We have scheduled a site visit with Brent Lawson, State Plumbing Inspector for Subsurface Wastewater Disposal System permits for Thursday, May 9, 2013 at approximately 10:30 a.m. We will be reviewing the septic systems on your property at Map 8, Lot 2 in the Town of Vinalhaven.

Enclosed are copies of the Subsurface Wastewater Disposal System permits that we have on file for this property. Copies have also been sent to Brent Lawson for review. You are welcome to attend this site visit or send a representative. Please let me know if you have any questions.

Sincerely,
